

10 THINGS YOU GET WITH TEXAS MEDICINE

A FAMILY OF MEDICINE

There's a seat at the table for you. Join more than 57,000 of your colleagues in the nation's largest state medical society.

PROFESSIONAL GROWTH

Plant the seeds for professional development and connect with like-minded physician leaders at free conferences and events who will help you grow throughout your career.

INSTANT EXPERTISE

From dedicated staff answering your questions about the business of medicine to hundreds of hours of free CME (including mandated courses), TMA has you covered.

BEST PRACTICE ENVIRONMENT

Texas is the best place to practice medicine thanks to TMA's work to pass and protect landmark legislation. TMA works hard behind the scenes on your behalf. The results speak for themselves.

ACCURATE PAYMENT

TMA helps you get paid with less hassle. Our payment professionals work on your behalf to resolve claims, identify opportunities for revenue cycle improvement, review coding issues, and more.

AN ADVOCATE FOR PHYSICIANS

TMA fights for you and your patients in Austin and Washington, D.C., standing against scope infringements, and protecting your right to make autonomous medical decisions.

SERVICES YOU CAN TRUST

Save time and get the solutions your practice needs with TMA's practice consulting services, preferred vendors, group discount programs, and career resources.

COMMUNITY IMPACT

Make a difference in your community with TMA-funded public health and outreach programs like Vaccines Defend What Matters, Hard Hats for Little Heads, and Walk with a Doc. Together we can improve the health of all Texans.

EXCLUSIVE ACCESS

TMA has you covered with members-only access to insurance services from Texas Medical Liability Trust and Texas Medical Association Insurance Trust.

RELEVANT, TIMELY COMMUNICATIONS

Stay in the know with timely and accurate news appropriate to your profession.

TMA SUPPORTS YOU AT EVERY STAGE AND IN ANY PRACTICE SETTING

The Texas Medical Association stays true to our goal of providing solutions to the challenges you face in the care of your patients.

From championing telemedicine options and payment parity, and providing practical resources to keep your practice viable, TMA has worked to support physicians in all specialties and practice settings.

TMA advocates on your behalf, to protect the patient-physician relationship, and ensure you will be there when Texas patients need you.
