LEADERSHIP DEVELOPMENT

Leadership Training for Physicians

TMA's Lifelong Leadership Program provides a comprehensive curriculum designed to equip physicians with the skills and knowledge needed to excel in organized medicine, practice leadership, and advocacy. With a flexible timeline and a variety of learning opportunities, this program allows you to grow at your own pace while achieving tangible milestones.

Participants will engage in a combination of in-person sessions, webinars, and on-demand content to earn the Lifelong Leadership Program Certificate. There is **no cost** for TMA members, and the flexible 18-month format can accommodate your busy schedule. This personalized training experience offers you the opportunity to gain leadership training based on your interests and needs.

Participation

- Gain the skills and knowledge necessary to advance in leadership within your practice, organized medicine, and your community.
- Learn from leadership experts with timely, relevant presentations.
- Collaborate and connect with other rising and established leaders during dedicated networking events.

Enrollment

- Enrollment is open on a rolling basis to TMA member physicians who have completed their residency/fellowship and are interested in growing their leadership skills.
- Participants will have 18 months from the date of confirmed enrollment to complete the program requirements.
- If eligible, previous participation in TMA's Leadership College is highly encouraged but not required.

Are You Ready to Lead?

If you are seeking new avenues of growth and are passionate about organized medicine, practice leadership, or advocacy, this program is tailored to you.

Unlock your career potential with engaging, practical instruction, and don't miss out on this opportunity to acquire the leadership skills necessary to make a lasting impact in your profession, your workplace, and your community.
