

SPECIALTY SOCIETY GUIDELINES TO RECOGNIZE HARD HATS FOR LITTLE HEADS PROGRAM DONORS

The Texas Medical Association Foundation is able to fund TMA's Hard Hats for Little Heads program in 2023 with major support from an anonymous TMA/TMAA member donor couple, the Texas Academy of Family Physicians, the Texas Neurological Society, and gifts from physicians and their families.

Event hosts who are family physicians, and members of the Texas College of Emergency Physicians, Texas Neurological Society, and Texas Pediatric Society are asked to recognize TMA Foundation and Hard Hats for Little Heads program funders, and their specialty society in promotional materials.

To properly credit the program in printed materials or other promotional copy, please use the first two paragraphs below, followed by the paragraph specific to your specialty society.

Texas Medical Association's Hard Hats for Little Heads program promotes exercise and teaches children and their parents about the importance of wearing a properly fitted helmet when bicycling, in-line skating, skateboarding, and riding scooters.

Hard Hats for Little Heads is supported in 2023 through a grant from the TMA Foundation with major support from an anonymous TMA/TMAA member donor couple, Texas Academy of Family Physicians, Texas Neurological Society, and gifts from physicians and their families.

[for the Texas Academy of Family Physicians]

The Texas Academy of Family Physicians also provided funding for this giveaway, which is sponsored by a family physician. TAFP's support helps family physicians encourage health and safety in more communities across Texas through Hard Hats for Little Heads.

[for the Texas College of Emergency Physicians]

The Texas College of Emergency Physicians also provided funding for this giveaway, which is sponsored by an emergency physician. TCEP's support helps emergency physicians encourage health and safety in more communities across Texas through Hard Hats for Little Heads.

[for the Texas Neurological Society]

The Texas Neurological Society also provided funding for this giveaway, which is sponsored by a neurologist. TNS' support helps neurologists encourage health and safety in communities across Texas through Hard Hats for Little Heads.

[for the Texas Pediatric Society]

The Texas Pediatric Society also provided funding for this giveaway, which is sponsored by a pediatrician. TPS' support helps pediatricians encourage health and safety in more communities across Texas through Hard Hats for Little Heads.
